

# Year 5 Informatin for Parents/Carers

## Autumn 2

### Maths

Multiplication and Division methods  
Solving Word Problems using all four operations  
Fluency  
Fractions

### English

Cross-Curricular writing links: explanation, instruction, persuasion, recount  
Performance Poetry  
SPaG – Anchor: paragraphs, metaphor, subordination rhetorical questions, drop in ‘-ed’ clauses, stage directions in speech, modal verbs  
Class Story

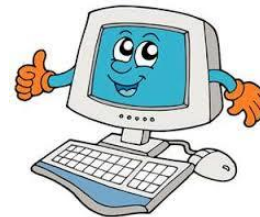

### Topic

We will be looking at the Rainforest and Rivers, exploring the science, geography and how issues affect us in the modern world. We will look at how humans and animals use rivers and the habitats they create.

### Computing

We are waiting for our new computer suite to open and are keen to start our new topic; ‘We Are Web Developers’ – looking at how we can create websites.

### PE

Each week, we will be having one dance, one gymnastics and one outdoor PE lesson. We need to have kits in every day – sometimes, timetables need to change or we have opportunity for other activities, so it is always best to have the right clothing.

Cinema Trip:  
Weds 9<sup>th</sup>  
November  
bring coats!

### Homework

- [www.mymaths.co.uk](http://www.mymaths.co.uk)
- [www.educationcity.com](http://www.educationcity.com)
- Weekly spellings
- Read at home for fun – talk about the book
- Learn all times tables to 12x12 by heart (and division facts if you can!)
- Watch NewsRound / read the news and talk as a family about it.
