

Day 15

Wasp on the Tube by Chrissie Gittins

If I knew how I got here
I wouldn't have commmmmmmmme,

those doors banged shut,
that was the end of my funnnnnnnnnnn

I'm buzzing around
and causing a hummmmmmmmmmmmm,

they're all looking up
and they think I am dummmmmmmmb.

I want to escape,
get back to the sunnnnnnnnnnnnnnnnnnnnn,

that boy's going mad
and grabbing his Mummmmmmmmmmm,

if we weren't in a tunnel
I know they'd all runnnnnnnnnnnnnnnnnnnnn,

at last, King's Cross,
my tube journey's donnnnnnnnnnnnnnnnnne.

This poem just has to be performed so have some fun with it.

Remember that the audience still need to hear the words you are saying and not be too distracted by your buzzing!!!
